Cooking Oil

Want to add even more flavor to this already awesome recipe? Try charring your corn! Be sure to drain well and pat the kernels super dry, then cook in a nonstick pan over high heat with a drizzle of oil until golden brown and toasty smelling, 4–6 minutes. Transfer to a bowl until ready to use in Step 2.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Drain **corn**. Roughly chop **cilantro**. Zest and quarter **lime**. Finely dice **jalapeño**, removing ribs and seeds for less heat.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or **beef**; season with **salt** and **pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

In a small microwave-safe bowl, combine **jalapeño** and **cream cheese**. Microwave until cream cheese is softened, 30 seconds. Stir in **1 tsp Mexican Spice Blend (2 tsp for 4 servings; be sure to measure—we sent more!)**. Place **tortillas** on a clean work surface. Spread **jalapeño cream cheese** on one half of each tortilla. Sprinkle with **Mexican cheese blend** and **Monterey Jack**. Fold tortillas in half to create **quesadillas**.

Top **tortillas** with **chicken** or **beef** along with **cheeses**.

5.

Cut **quesadillas** into wedges and divide between plates. Top with **corn salsa** and drizzle with as much **crema** as you like. Serve with remaining crema on the side.

2.

In a medium bowl, combine **corn**, **cilantro**, **½ tsp Mexican Spice Blend (1 tsp for 4 servings)**, juice from half the lime, and a pinch of lime zest. Season with **salt** and **pepper**. Set aside. In a small bowl, combine **sour cream**, **remaining lime juice**, and **1 TBSP hot sauce** from your pantry if desired. Set aside.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **quesadillas**; cook until tortillas are golden brown and cheese melts, 2–4 minutes per side (if tortillas begin to brown too quickly, lower that heat!). (Depending on the size of your pan, you may need to work in batches.) Transfer to a cutting board.

Use pan used for chicken or beef here.
