MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion**. Trim and thinly slice **scallions**, separating whites from greens.

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of olive oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, 4-6 minutes.

Swap in **chopped chicken breast** for dark meat chicken.

Swap in **beef** for dark meat chicken. Cook, breaking up meat into pieces, until browned and cooked through, 4-5 minutes.

3.

Add **onion** and **scallion whites** to pan with **chicken**; cook, stirring, until veggies are softened, 2-3 minutes. Add **tomato paste** and **paprika**; cook, stirring, until tomato paste is brick red in color, 1-2 minutes more.

4.

Add **couscous** and a **drizzle of olive oil** to pan with **chicken mixture**; stir until fully coated. Stir in **stock concentrate**, **2 cups water** (3 cups for 4 servings), a **big pinch of salt**, and **pepper**. Bring to a boil and cook, stirring frequently, until couscous is tender, 8-10 minutes. (If mixture seems too thick, stir in a splash of water.) Taste and season with **salt** and **pepper**. Turn off heat. Stir in **cream cheese** until melted and combined.

5.

Sprinkle **chicken and couscous** with **scallion greens**. Divide between plates or serve family style directly from the pan.
