When forming your patties in Step 4, be gentle and try not to overwork the meat. Using a light touch when flattening and shaping will make for juicy and tender burgers!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Zest and quarter **lime**. Trim and peel **carrot**; grate on the largest holes of a box grater. Halve **buns**.

2.

Toss **potatoes** on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast until browned and tender, 20–25 minutes.

3.

While potatoes roast, in a small bowl, combine **2 TBSP mayonnaise (4 TBSP for 4 servings)**, a **big squeeze of lime juice**, and a **pinch of lime zest**. Add **carrot**; toss to combine. Season with **salt and pepper**.

4.

Form **beef** into two ½-inch-thick patties (**four for 4 servings**), each slightly wider than a burger bun; season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **patties** and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a plate. Wipe out pan.

5.

Brush **sweet soy glaze** on both sides of **patties**. Melt **1 TBSP butter** in pan used for patties over medium-high heat. Add **buns**, cut sides down; toast until golden, 1–2 minutes. (**For 4 servings, work in batches, adding another 1 TBSP butter between batches.**)

6.

Divide **buns** between plates and fill with **patties and slaw**. Serve with **potato wedges** and **remaining lime wedges** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
