Ever noticed that homemade soup tends to taste even better the day after it's made? That's because the longer everything sits together, the more flavorful your soup will become! If you have a few extra minutes, let the soup simmer a bit longer to really bring out all the punchy flavors.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Trim, peel, and halve **carrot** lengthwise; thinly slice crosswise into half-moons. Roughly chop **parsley**, including tender stems.

2.

Heat a **drizzle of oil** in a medium pot over medium-high heat. Add **onion** and **carrot**; season with **salt** and **pepper**. Cook, stirring frequently, until beginning to soften, 2–3 minutes. Add **tomato paste** and **Shawarma Spice Blend**; cook, stirring constantly, until tomato paste is brick red in color, about 1 minute more.

3.

Add **3 cups water (5½ cups for 4 servings)**, **rice**, and **stock concentrates** to pot with **veggies**. Open package of **chicken** and drain off any excess liquid. Add chicken to pot; stir to combine. Stir in **1 tsp sugar (2 tsp for 4)**. Season generously with **salt** and **pepper**.

4.

Bring **soup** to a simmer and cook, stirring occasionally, until **chicken** is cooked through and **rice** is tender, 15–18 minutes. Stir in **half the parsley**. Taste and season with **salt** and **pepper**.

5.

Divide **soup** between bowls and top with **remaining parsley**.

**Poultry is fully cooked when internal temperature reaches 165°.*
