While our homemade chili crisp certainly packs a punch, it may not be as spicy as you think! If you're heat-sensitive, add the chili crisp in Step 4 a half teaspoon at a time, tasting as you go, until it's perfect for your palate (you're the chef, after all!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**.

2.

Bring a large pot of **salted water** to a boil. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (**2 cups for 4 servings**), then drain. (**Reserve pot for Step 4.**)

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium–high heat. Add chicken or **beef** and season with **salt** and **pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

While pasta cooks, heat a large pan over medium heat. Add **scallion whites**, **sesame seeds**, **crispy fried onions**, **chili flakes**, **4 TBSP oil** (**8 TBSP for 4 servings**), and a **pinch of salt**. Once **chili crisp** begins to sizzle, cook, stirring frequently, until sesame seeds are golden and fragrant, 2–3 minutes. Turn off heat; stir in **garlic**. Carefully transfer to a small heatproof bowl.

Use pan used for chicken or beef here.

4.

Heat pot used for pasta over medium–low heat; whisk in **cream sauce base**, **cornstarch**, **cheese**, **½ cup reserved pasta cooking water**, **½ cup milk**, and a **big pinch of salt and pepper** (**1 cup reserved pasta cooking water and 1 cup milk for 4 servings**). Bring to a simmer and cook, whisking frequently, until thickened, 2–3 minutes. Stir **drained pasta** and **half the chili crisp** into **sauce** until coated, adding splashes of reserved pasta cooking water as needed. Taste and season with **salt** and **pepper** if desired.

Stir **chicken** or **beef** into pot with **sauce** along with **drained pasta**.

5.

Divide **mac 'n' cheese** between bowls. Top with **scallion greens** and as much **remaining chili crisp** as you like.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
