MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to [EveryPlate.com](https://www.everyplate.com).

1.

Wash and dry produce. Trim and halve **cucumber** lengthwise; thinly slice crosswise into half-moons. Quarter **lemon**. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens; finely chop whites.

3.

Heat a **drizzle of oil** in a small pot over medium heat. Add **garlic** and **scallion whites**; cook, stirring, until fragrant, 15–20 seconds. Stir in **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and **1 tsp salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

2.

In a small bowl, combine **cucumber**, a **drizzle of oil**, a **big squeeze of lemon juice**, and a **pinch of salt and pepper**. Set aside until ready to serve, stirring occasionally.

4.

Meanwhile, rinse **shrimp** under cold water; pat very dry with paper towels. Season generously with **salt** and **pepper**. In a large bowl, combine **tempura batter mix**, **⅓ cup cold water** (**⅔ cup for 4 servings**), and **salt** (we used **½ tsp**; **1 tsp for 4**). (If needed, add more water 1 TBSP at a time until mixture reaches a pancake-batter-like consistency.) Add shrimp to bowl with batter; stir to coat. Heat a **¼-inch layer of oil** in a medium, heavy-bottomed pan over medium-high heat. Once oil is shimmering and hot enough that a drop of batter sizzles when added to the pan, add **coated shrimp** in a single layer. (**Work in batches if necessary.**) Cook until golden brown and cooked through, 2–3 minutes on the first side and 1–2 minutes on the second side. Using a slotted spoon or tongs, transfer to a paper-towel-lined plate.

5.

In a medium microwave-safe bowl, combine **honey** and **1 TBSP butter** (**2 TBSP for 4 servings**); cover with a paper towel. Microwave until butter has melted, 10–20 seconds. Stir in **Sriracha** and **2 TBSP mayonnaise** (**4 TBSP for 4**); season with **salt** and **pepper**. Add **cooked shrimp** to bowl with **sauce**; toss to coat.

6.

Fluff **rice** with a fork; season with **salt** and **pepper**. Divide rice, **shrimp**, and **cucumber salad** between bowls in separate sections. Spoon any **remaining sauce** over shrimp. Garnish with **scallion greens**. (If you like things extra spicy, sprinkle with **chili flakes** from your pantry!)

*Shellfish is fully cooked when internal temperature reaches 145°.
