Labneh ***

(1 | 2)

Contains: Milk

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Cooking Oil

Olive Oil

BEZi

BEZi Red Pepper Labneh is creamy labneh blended with smoky red pepper and spices—a Middle Eastern dairy dip and spread made from milk, cream, and cultures. With the same amount of protein as hummus and 40% less fat, it's an easy way to add a little spice and extra protein to pitas, sandwiches, and bowls.

If you look closely, you'll see that your steak naturally has lines running through it. In order to ensure maximum tenderness, we want you to slice perpendicular to those lines, aka "against the grain." It'll only take a second to do and will make the end result 10 bajillion times better (scientific fact).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Halve, peel, and finely dice **shallot**. Trim and finely dice **cucumber**. Finely dice **tomato**. Zest and quarter **lemon**. Trim and slice **zucchini** on a diagonal into ½-inch-thick pieces.

2.

Heat a **drizzle of oil** in a small pot over medium-high heat. Add **garlic** and **half the shallot**; cook, stirring occasionally, until beginning to soften, 1–2 minutes. Add **rice**; toast, stirring, until translucent, about 1 minute. Add **stock concentrate**, **¾ cup water** (**1½ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, in a small bowl, combine **cucumber**, **tomato**, **half the oregano**, **remaining shallot**, **1 TBSP olive oil** (**2 TBSP for 4 servings**), a **squeeze of lemon juice**, **salt**, and **pepper**. Set aside, stirring occasionally, until ready to serve.

4.

Pat **steak** dry with paper towels; season all over with **remaining oregano**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan (**use a grill pan if you have one**) over medium-high heat. Add **steak**; cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest. Wipe out pan. Tent steak with foil to keep warm.

5.

In a medium bowl, toss **zucchini** with a **drizzle of olive oil**, **salt**, and **pepper**. Once steak is done and resting, add zucchini to same pan in a single layer. Cook until tender and lightly charred, 2–5 minutes per side. (**For 4 servings, you may need to work in batches.**)

6.

Thinly slice **steak** against the grain. Fluff **rice** with a fork. Dollop **3–4 TBSP BEZI Red Pepper Labneh** on each plate. Use the back of a spoon to spread labneh in a "swoosh" across each plate. Arrange **steak** on top of BEZI Red Pepper Labneh. Divide **rice**, **salad**, and **zucchini** between plates. Serve with **remaining lemon wedges** and any remaining BEZI Red Pepper Labneh on the side (**or save for another use**).

Enjoy the smoky, protein-packed BEZI labneh in your meal!

*Beef is fully cooked when internal temperature reaches 145°.
