MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and finely dice **cucumber**. Peel and finely chop **garlic**. Trim and discard root end of **lettuce**; separate leaves.

2.

Open package of **chicken** and drain off any excess liquid; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook, stirring occasionally, until browned and cooked through, 4-6 minutes.

3.

Meanwhile, in a large bowl, combine **cucumber**, **cabbage**, **chili sauce**, and **2 TBSP mayonnaise** (4 TBSP for 4 servings). Season with **salt** and **pepper**; set aside.

4.

Once **chicken** is cooked through, add **garlic** and **sesame dressing** to pan. Cook, stirring, until garlic is fragrant and chicken is saucy, 30-60 seconds. Remove from heat.

5.

Divide **lettuce leaves** between plates; fill with **chicken mixture**. Top with **cucumber-cabbage slaw**.

*Poultry is fully cooked when internal temperature reaches 165°.
