MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, peel, and thinly slice **onion**. Halve **tomatoes**. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup of pasta cooking water (1 cup for 4 servings)**, then drain.

2.

While pasta cooks, melt **1 TBSP butter (2 TBSP for 4 servings)** in a large pan over medium–high heat. Add **panko**; season with **half the garlic powder (you'll use the rest later)**, **salt**, and **pepper**. Cook, stirring, until golden brown and toasted, 3–4 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

3.

Heat a **drizzle of oil** in same pan over medium–high heat. Add **onion**; season with **salt** and **pepper**. Cook, stirring occasionally, until lightly browned and tender, 3–4 minutes. Add **tomatoes** and **remaining garlic powder**; cook, stirring, until tomatoes begin to soften, 1–2 minutes.

4.

Stir **spinach**, **cream sauce base**, and **stock concentrate** into pan with **onion**. Cook, stirring, until spinach has wilted and mixture is well combined, 2–3 minutes. Stir in **1 TBSP butter (2 TBSP for 4 servings)**.

5.

Stir **drained pasta** into pan with **creamy spinach**. Toss, adding **splashes of reserved pasta cooking water** as needed, until everything is thoroughly coated in sauce. Divide pasta between bowls. Top with as much **garlicky panko** as you like.
