MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Finely chop **parsley**. Grate **Parmesan** over a small bowl (**skip if pre-shredded**).

2.

In a small pot, combine **polenta** and $\frac{1}{3}$ cup milk ($\frac{2}{3}$ cup for 4 servings) over medium heat. Cook, mashing with a potato masher, until mostly smooth, 1–2 minutes. Whisk in **Cheesy Italian Crunch**, half the **cream cheese**, and 1 TBSP **butter** (2 TBSP for 4); simmer until thickened, 3–4 minutes. Taste and season with **salt** and **pepper** if desired. (**If polenta seems too thick, stir in a splash of water.**) Keep covered off heat until ready to serve.

3.

While polenta cooks, heat a **drizzle of oil** in a large pan over medium–high heat. Add **tomatoes** and **beef**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until tomatoes are starting to burst and beef is browned and cooked through, 4–6 minutes. Turn off heat; carefully drain any excess grease from pan.

4.

Return pan to stovetop over medium–high heat. Stir **marinara** and **stock concentrate** into **beef mixture**. Cook until thoroughly combined and heated through, 1 minute. Remove from heat and stir in **remaining cream cheese** until melted and combined.

5.

Divide **polenta** between bowls and top with **marinara beef**. Garnish with **parsley** and **Parmesan**.

*Ground Meat is fully cooked when internal temperature reaches 160°.
