MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Core, deseed, and cut **green peppers** into a medium dice. Peel and finely chop **garlic**. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**). Heat a **drizzle of oil** in a large pan over medium-high heat. Add green peppers and season with **salt** and **pepper**. Cook, stirring, until browned and slightly softened, 5-6 minutes.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9-11 minutes. Reserve **½ cup pasta cooking water**, then drain.

3.

Remove **sausage** from casing if necessary; discard casing. While pasta cooks, add **garlic** to pan with **green peppers**; cook until fragrant, 30 seconds. Add sausage and cook, breaking up meat into pieces, until browned and cooked through, 4-5 minutes. Stir in **tomato paste**; cook for 1 minute.

4.

Stir **¾ cup plain water** (**1 cup for 4 servings**) into pan with **sausage mixture**. Simmer until thickened, 3-4 minutes. Reduce heat to low and stir in **cream cheese**, **half the Parmesan** (**save the rest for serving**), and **1 TBSP butter** (**2 TBSP for 4**) until melted and combined. Season with **salt** and **pepper**.

5.

Add **drained pasta** to pan with **sauce**; toss until thoroughly coated. (**If sauce is very thick, add splashes of reserved pasta cooking water as needed.**) Taste and season with **salt** and **pepper**.

6.

Divide **pasta** between bowls and top with **remaining Parmesan**. (Got some chili flakes, basil, or parsley on hand? Feel free to sprinkle on top for some oomph!)
