ingredient? Scan the QR code
for **CustomPlate** instructions.

Say cheese, please! Add your favorite kind to the soup. Parmesan, manchego, and even pepper jack are all great places to start.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion**.

2.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

3.

While bacon cooks, heat a **drizzle of oil** in a medium pot over medium-high heat. Add **onion**; season with **salt** and **pepper**. Cook, stirring occasionally, until slightly softened, 4–5 minutes. Add **tomato paste**; cook, stirring, until brick red in color, 1–2 minutes. Stir in **stock concentrates**, **2½ cups water**, **½ tsp sugar**, **salt**, and **pepper** (**4½ cups water** and **1 tsp sugar** for 4 servings).

4.

Bring **soup** to a boil, then stir in **couscous**. Cook, stirring often, until couscous is al dente, 8–10 minutes. **(If soup gets too thick, add a splash or two of water!)** Taste and season with **salt** and **pepper**.

5.

Divide **soup** between bowls and drizzle with **pesto**. Top with **bacon**.

**Pork is fully cooked when internal temperature reaches 145°.*
