for **CustomPlate** instructions.

**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

**1.**

Preheat oven to 450 degrees. Place **2 TBSP butter** (**4 TBSP for 4 servings**) in a small microwave-safe bowl; bring to room temperature. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces.

**2.**

Toss **potatoes** on one side of a baking sheet with a **large drizzle of oil, salt, and pepper**. Toss **broccoli** on empty side with a **large drizzle of oil, salt, and pepper**. (**For 4 servings, divide veggies between two sheets.**) Roast until veggies are lightly browned and just tender, 15–20 minutes (**you'll top the potatoes then**).

**3.**

While veggies roast, finely chop **parsley**. Peel and finely chop **garlic**. If **butter** is not yet softened, microwave for 5–10 seconds; stir in **mustard**, half the parsley, and a pinch of garlic.

**4.**

Pat **steak** dry with paper towels and season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest.

**5.**

Once **broccoli** is done, remove from baking sheet. Carefully stir **potatoes** on sheet, then grate as much **Parmesan** on top as you like (**sprinkle if pre-shredded**). Return to oven until cheese is melted and lightly browned, 5–6 minutes more.

**6.**

Thinly slice **steak** against the grain. Divide steak between plates along with **broccoli** and **potatoes**. Dollop steak with **herb butter**. Garnish with **remaining parsley**.
