You may notice that we almost always ask you to reserve a bit of pasta cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good pasta great, and we'll never leave you with a bowlful of just *good*.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Heat a large dry pan over medium-high heat. Add **sesame seeds** and toast, stirring frequently, until fragrant and just beginning to brown, 2-3 minutes. Turn off heat; transfer to a plate. Wipe out pan.

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in pan used for sesame seeds over medium-high heat. Add chicken, **garlic powder**, and **chili flakes**. Cook, stirring occasionally, until browned and cooked through, 4-6 minutes.

3.

Meanwhile, finely chop **parsley**. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**).

4.

Once water is boiling, gently add **ravioli** to pot. Reduce to a low simmer. Cook, stirring occasionally, until ravioli are tender and floating to the top, 3-4 minutes. Reserve **½ cup pasta cooking water** (**1 cup for 4 servings**), then drain; set aside.

5.

While ravioli cook, reduce heat under pan with chicken to medium low. Stir **tomato paste** and **gochujang** into pan with **chicken**; cook until tomato paste is brick red in color, 30-60 seconds. Stir in **cream sauce base**, **half the grated Parmesan**, and **¼ cup pasta cooking water** (**½ cup for 4 servings**). Simmer until sauce has thickened slightly, 1-2 minutes more.

6.

Gently stir **drained ravioli** and **1 TBSP butter** (**2 TBSP for 4 servings**) into pan with **sauce**. Taste and season with **salt and pepper**. If needed, stir in more **reserved pasta cooking water** a splash at a time until ravioli are coated in a creamy sauce. Divide ravioli between bowls. Top with **toasted sesame seeds**, **parsley**, and **remaining grated Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.
