MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Bring **5 cups water (9 cups for 4 servings)** to a simmer in a small pot. Trim and thinly slice **mushrooms (skip if your mushrooms are pre-sliced!)**. Halve, peel, and finely chop **onion**. Thinly slice **chives**. Peel and finely chop **garlic**.

2.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **mushrooms** and season with **salt** and **pepper**. Cook, stirring, until browned and tender, 5-7 minutes. Remove from pan and set aside.

3.

Heat a **drizzle of oil** in pan used for mushrooms over medium-high heat. Add **onion, garlic, salt, and pepper**. Cook, stirring, until softened, 4-5 minutes. Stir in **rice** and cook until slightly translucent, 1 minute.

4.

Add **1 cup simmering water** and **stock concentrate** to pan with **rice mixture**. Reduce heat to medium. Cook, stirring, until liquid is mostly absorbed. Repeat with **remaining simmering water**, adding **½ cup** at a time and stirring until liquid is mostly absorbed, until rice is al dente and mixture is creamy, 25-30 minutes. (Depending on the size of your pan, you may need a little more or a little less water. If you prefer your risotto a little more al dente, cook for less time.)

5.

Once **risotto** is creamy, stir in **cream sauce base, mushrooms, and ¼ tsp truffle seasoning (½ tsp for 4 servings)**. Cook, stirring until sauce has slightly thickened, 1-2 minutes. Taste and season with **salt** and **pepper**.

6.

Divide **risotto** between bowls; top with **cheese** and garnish with **chives**.
