MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Drain **pineapple** over a small bowl; reserve **juice**. Trim and dice **cucumber** into ¼-inch pieces. Halve and peel **onion**. Dice one-quarter of the onion (**half the onion for 4 servings**) into ¼-inch pieces; thinly slice another one-quarter of the onion (**remaining onion for 4**). Roughly chop **cilantro**. Quarter **lime**.

3.

While rice cooks, in a medium bowl, combine **drained pineapple**, **cucumber**, **diced onion**, **half the cilantro**, **half the garlic powder** (**you'll use the rest in Step 5**), **1 TBSP olive oil**, **½ tsp sugar**, and **juice from half the lime** (**2 TBSP olive oil and 1 tsp sugar for 4 servings**). Season with **salt** and **pepper**. Refrigerate **salad** until ready to serve.

5.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **sliced onion**; cook, stirring occasionally, until softened, 2–4 minutes. Add **pineapple juice**, **remaining Cuban Spice Blend**, **remaining garlic powder**, and **1 tsp sugar** (**2 tsp for 4 servings**); cook, stirring, until liquid has reduced, 1–2 minutes. Add **¼ cup water** (**½ cup for 4**); cook, stirring, until sauce has thickened, 1–2 minutes. Remove from heat; stir in **2 TBSP butter** (**4 TBSP for 4**) until melted. Add a **squeeze of lime juice**. Taste and season with **salt** and **pepper**. (**If needed, add more water a splash at a time until saucy.**)

2.

In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

Pat **pork** dry with paper towels; season all over with **half the Cuban Spice Blend** (**you'll use the rest in Step 5**), **salt**, and **pepper**. Heat a **large drizzle of oil** in a large pan over medium-high heat. Add pork; cook until browned and cooked through, 4–6 minutes per side. (**Reduce heat if pork is browning too quickly.**) Turn off heat; transfer to a cutting board to rest. Wipe out pan.

6.

Slice **pork** crosswise. Fluff **rice** with a fork; stir in **remaining cilantro**. Divide rice, pork, and **salad** between shallow bowls. Drizzle pork and rice with **mojo sauce**.

*Pork is fully cooked when internal temperature reaches 145°.
