Removing the sausage casing in Step 2 may seem like the “wurst,” but it’s easy! Using the tip of your knife, make a shallow slit along the length of the sausage, then peel away and discard the casing. Easy peasy!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Halve, peel, and thinly slice **onion**. Halve **baguettes** lengthwise, stopping before you get all the way through.

2.

Remove **sausage** from casing if necessary; discard casing. Heat a **large drizzle of oil** in a large pan over medium-high heat. Add **onion** and season with **salt** and **pepper**. Cook, stirring, until slightly softened, 1–2 minutes. Add sausage and **garlic powder**; cook, breaking up meat into pieces, until sausage is browned and cooked through, 4–6 minutes.

3.

Meanwhile, in a medium bowl, combine **mustard** and **2 TBSP mayonnaise** (**4 TBSP for 4 servings**). Add **coleslaw mix** and toss until coated. Taste and season with **salt** and **pepper**.

4.

Place **baguettes**, cut sides up, on a baking sheet. Evenly divide **sausage mixture** between baguettes; sprinkle with **cheese**. Toast on middle rack until baguettes are golden brown and cheese melts, 3–5 minutes.

5.

Divide **subs** between plates. Serve with **slaw** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
