\$20

Arrange the polenta rounds in a single layer with a little room between them, so the edges can crisp up as they bake.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Slice **polenta** into ½-inch-thick rounds. Dice **tomato** into ½-inch pieces. Grate Parmesan over a small bowl (*skip if pre-shredded!*). Halve, peel, and finely dice **shallot**. Thinly slice **mozzarella** into rounds (*you'll want one slice of mozzarella for each polenta slice*).

2.

Season **polenta rounds** all over with **cheesy Italian crunch**, salt, and **pepper**.

3.

Arrange **polenta rounds** on a baking sheet; top each with **marinara**, **mozzarella**, and a few **pepperoni** slices (*it's OK if they don't all fit*). Bake on middle rack until polenta is warmed through and cheese has melted, 8–10 minutes.

4.

While polenta pizza rounds bake, in a large bowl, add **arugula**, **tomato**, **Parmesan**, and as much **shallot** as you like. Add **dressing** and toss to combine.

5.

Divide **polenta pizza rounds** and **salad** between plates. Top salad with **croutons**.
