MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Halve, peel, and finely dice **onion**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain.

3.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion**; season with **salt** and **pepper**. Cook, stirring, until fragrant and slightly softened, 2–3 minutes. Add **mushrooms** and cook, stirring, until veggies are browned and tender, 5–6 minutes more.

4.

Once veggies are tender, stir in **cream sauce base**, **stock concentrates**, and **¼ cup reserved pasta cooking water** (½ cup for 4 servings). Cook, stirring, until slightly thickened, 2–3 minutes. Add **drained pasta**, **half the Parmesan**, and **half the furikake**; toss until everything is coated in sauce (if sauce seems too thick, stir in another splash of reserved pasta cooking water). Taste and season with **salt** and **pepper**.

5.

Divide **pasta** between bowls; top with **remaining Parmesan** and **remaining furikake**.
