\$20

When coating your pork (aka dipping into the flour, beaten egg, and panko), we highly recommend using one hand for dipping into the egg and the other for coating in the flour and panko. This will prevent dreaded breaded fingertips (THE HORROR!) and make the whole process a lot less messy.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, **wash and dry produce**. Trim and peel **carrot**; grate on the largest holes of a box grater. Zest and quarter **lemon**. In a medium bowl, combine **coleslaw mix**, carrot, **miso sauce concentrate**, **2 TBSP mayonnaise**, **½ tsp sugar**, a **squeeze of lemon juice**, and a **pinch of lemon zest** (**4 TBSP mayonnaise and 1 tsp sugar for 4 servings**).

3.

Place **½ cup flour** (**1 cup for 4 servings**) in a shallow dish. Crack **one egg** (**two eggs for 4**) into a separate shallow dish; add **2 TBSP water** (**4 TBSP for 4**) and whisk to combine. Combine **panko** and **half the furikake** in a third shallow dish. Season all three dishes generously with **salt** and **pepper**.

4.

Pat **pork** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until pork is about ⅓ inch thick. Season all over with **salt** and **pepper**. Working one piece at a time, press pork into **seasoned flour** until fully coated. Gently shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press into **furikake panko** until fully coated. (**For less mess, use tongs to dip and transfer!**)

5.

Heat a **⅓-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated pork**. (**For 4 servings, cook in batches, adding more oil between batches if necessary.**) Cook until golden brown and cooked through, 3–5 minutes per side. (**If pork begins to brown too quickly, lower that heat!**) Transfer to a paper-towel-lined plate.

6.

Fluff **rice** with a fork. Divide **crispy pork**, rice, and **slaw** between plates. Drizzle pork with as much **katsu sauce** as you like. Sprinkle rice with as much **remaining furikake** as you like. Serve with **remaining lemon wedges** and any remaining katsu sauce on the side.

*Pork is fully cooked when internal temperature reaches 145°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
