CHEF'S TIP

Can't imagine crispy chicken without a spicy kick? If you've got some on hand, drizzle your finished chicken with hot sauce.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Trim and quarter **cucumbers** lengthwise; slice crosswise into ½-inch-thick quarter-moons. Peel and finely chop **garlic**.

2.

In a medium bowl, combine **panko**, **cheese**, **oregano**, **1 TBSP olive oil** (2 TBSP for 4 servings), **salt**, and **pepper**. Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Place chicken on a baking sheet. Evenly spread tops of chicken with **1 TBSP mayonnaise** each, then mound with **panko mixture**, pressing firmly to adhere (no need to coat the undersides). Roast on top rack until golden brown and cooked through, 15-20 minutes.

3.

While chicken roasts, in a second medium bowl, combine **cucumbers**, **half the vinegar**, and **½ tsp sugar** (all the vinegar and 1 tsp sugar for 4 servings). Season with **salt** and **pepper**. Set aside.

4.

Melt **1 TBSP butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **couscous**, **garlic**, and a **pinch of salt**. Cook, stirring, until couscous is toasted, 2-3 minutes. Add **¾ cup water** (1½ cups for 4); bring to a boil, then cover and reduce to a low simmer. Cook until couscous is tender, 6-8 minutes. Turn off heat. Drain any excess water if necessary. Keep covered until ready to serve.

5.

Once chicken is done, stir **1 TBSP butter** (2 TBSP for 4 servings) into pot with **couscous** until melted. Taste and season with **salt** and **pepper**. Divide couscous, **chicken**, and **cucumber salad** between plates.

**Poultry is fully cooked when internal temperature reaches 165°.*
