CHEF'S TIP

Want the tastiest steak possible? Remove your meat from the fridge about 30 minutes before cooking. Room temp steak = even cooking. Win–win!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6–person meals, combine the 2– and 4–serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 450 degrees. Place **2 TBSP butter** (4 TBSP for 4) in a small microwave–safe bowl; bring to room temperature. **Wash and dry produce.** Peel and dice **sweet potatoes** into ½–inch pieces. Trim **green beans** if necessary.

2.

Toss **sweet potatoes** on one side of a baking sheet with a **large drizzle of oil**, **salt**, and **pepper** (for 4 servings, spread sweet potatoes out across entire sheet). Roast on middle rack, 7 minutes. Once sweet potatoes have roasted 7 minutes, remove from oven. Carefully toss **green beans** on empty side of sheet with a **large drizzle of oil**, **salt**, and **pepper**. (For 4, leave sweet potatoes roasting; toss green beans on a separate sheet and roast on top rack.) Roast until sweet potatoes and green beans are browned and tender, 10–12 minutes more.

3.

While veggies roast, finely chop **parsley**. Peel and finely chop **garlic**. If **butter** is not yet softened, microwave for 5–10 seconds; stir in **mustard**, half the parsley, and a pinch of garlic.

4.

Pat **steak** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium–high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest.

5.

Once green beans are done, transfer to a plate. Carefully stir **sweet potatoes** on the sheet; grate as much **Parmesan** on top as you like (sprinkle if pre–shredded). Return to oven and roast until cheese is melted and lightly browned, 5–6 minutes more.

6.

Thinly slice **steak** against the grain. Divide steak between plates along with **green beans** and **sweet potatoes**. Dollop steak with **herb butter**. Garnish with **remaining parsley**.

**Beef is fully cooked when internal temperature reaches 145°.*
