CHEF'S TIP

Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek too often!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim, peel, and cut **carrot** on a diagonal into ¼-inch-thick pieces. Trim **green beans** if necessary; halve crosswise. Halve and peel **onion**; cut into ½-inch-thick wedges. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Peel and finely chop **ginger**. Quarter **lime**.

2.

In a small pot, combine **rice**, **1¼ cups water** (2¼ cups for 4 servings), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook, covered, until rice is tender, 15-18 minutes. Keep covered off heat until ready to serve.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **carrot**, **¼ cup water** (⅓ cup for 4 servings), and a **pinch of salt**; cover and cook, undisturbed, until tender, 5-6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

4.

Heat another **drizzle of oil** in same pan over medium-high heat. Add **green beans** and **onion**; cook, stirring occasionally, until veggies are tender, 4-5 minutes. Reduce heat to low. Add **curry powder**, **scallion whites**, **garlic**, and **ginger**; cook, stirring, until fragrant, about 1 minute. Stir in **carrot**, **coconut milk**, and a **squeeze of lime juice**. Taste and season with **salt** if desired.

5.

Fluff **rice** with a fork and divide between bowls; top with **curry**. Sprinkle with **scallion greens** and serve with **remaining lime wedges** on the side.
