CHEF'S TIP

If the fig jam doesn't dissolve right away when you add it to the pan in Step 4, break up any clumps into smaller pieces with your spoon or a whisk. Eventually, this fruity condiment will melt into a deliciously sticky-sweet sauce.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to top position (top and middle positions for 4 servings) and preheat oven to 450 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Trim **green beans** if necessary. Peel and finely chop **garlic**. Toss potatoes on a baking sheet with a **large drizzle of oil** and a **pinch of salt and pepper**. Roast on top rack for 15 minutes (you'll add the green beans then).

2.

Once **potatoes** have roasted 15 minutes, remove sheet from oven; carefully push potatoes to one side. Add **green beans** to empty side with a **drizzle of oil** and a **pinch of salt and pepper**; toss to combine. (For 4 servings, leave potatoes roasting and add green beans to a second sheet; roast on middle rack.) Return to top rack and roast until veggies are browned and tender, 10–12 minutes more.

3.

While veggies roast, pat **pork** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. Transfer to a plate and set aside.

4.

Return same pan to medium-high heat. Add **garlic** and cook until fragrant, 30 seconds. Stir in **stock concentrate**, **jam**, **mustard**, **half the thyme**, and **¼ cup water** (all the thyme and ⅓ cup water for 4 servings). Cook, stirring, until thickened and glossy, 3–5 minutes. Turn off heat; stir in **1 TBSP butter** (2 TBSP for 4) until melted.

5.

Return **pork** to pan and turn to coat in **sauce**. Divide pork, **potatoes**, and **green beans** between plates. Top pork with any remaining sauce from pan.

**Pork is fully cooked when internal temperature reaches 145°.*
