CHEF'S TIP

Want to enjoy this meal tomorrow too? You're in luck! All you have to do is refrigerate any leftovers, reheat them in the microwave, and dig in! Your future self will thank you for stocking the fridge with a homemade, ready-to-eat dinner.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position (middle and top positions for 8 servings) and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, peel, and dice **onion**. Finely chop **parsley**. Grate **Parmesan** over a small bowl (skip if pre-shredded).

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9-11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 8 servings), then drain. Keep empty pot handy for Step 4.

3.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Remove **sausage** from casing if necessary; discard casing. Add sausage, **onion**, **garlic powder**, **Italian Seasoning**, **salt**, and **pepper**. Cook, breaking up meat into pieces, until sausage has cooked through and onion has softened, 5-6 minutes. (For 8 servings, work in batches, adding a drizzle of oil between batches.) Remove pan from heat.

4.

Transfer **sausage mixture** to pot used for pasta; add **marinara**, **crushed tomatoes**, **stock concentrates**, **half the pepperoni**, and **½ cup reserved pasta cooking water** (1 cup for 8 servings). Bring to a simmer over medium-high heat; cook, stirring occasionally, until sauce has slightly thickened, 2-3 minutes. (If sauce is too thick, stir in more reserved pasta cooking water a splash at a time.) Turn off heat; add **drained pasta** to pot with **sauce** and stir to combine. Taste and season with **salt** and **pepper** if desired.

5.

Transfer **pasta mixture** to a 9-by-13-inch baking dish (use two 9-by-13-inch baking dishes for 8 servings). Sprinkle **mozzarella** on top of pasta, then top with **remaining pepperoni** in a single layer. Bake, uncovered, on middle rack until cheese melts, 10-12 minutes (for 8, bake on middle and top racks, switching rack positions halfway through).

6.

Let **pasta bake** cool for 5 minutes before serving. Sprinkle with **parsley** and **Parmesan**. Serve family style.

**Ground Meat is fully cooked when internal temperature reaches 160°.*
