CHEF'S TIP

Some like it hot! Bring on the heat with your favorite hot sauce or fresh chili peppers.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to boil. **Wash and dry produce.** Core, deseed, and dice **bell pepper** into ½-inch pieces. Peel and finely chop **ginger**. Trim and thinly slice **scallions**, separating whites from greens.

2.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until tender, 2-3 minutes. Reserve **½ cup noodle cooking water** (1 cup for 4 servings), then drain and set aside.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **bell pepper**, **ginger**, and **scallion whites**; cook, stirring, until fragrant, 1 minute. Add **chicken**, **garlic powder**, **salt**, and **pepper**; cook, breaking up meat into pieces, until bell pepper is tender and chicken is browned and cooked through, 5-7 minutes more.

4.

Add **drained noodles**, **curry paste**, and **stock concentrates** to pan with **chicken and veggies**. Cook, stirring occasionally, until noodles are coated in sauce, 30-60 seconds. Taste and season with **salt** and **pepper**. Turn off heat; stir in **1 TBSP butter** (2 TBSP for 4 servings) until well combined. (If noodles seem dry, stir in splashes of reserved noodle cooking water as needed.)

5.

Divide **noodles** between bowls. Top with **scallion greens**.

**Ground Poultry is fully cooked when internal temperature reaches 165°.*
