MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Trim, peel, and cut carrots on a diagonal into ½-inch-thick pieces. Peel and finely chop garlic. Peel and finely chop ginger until you have 2 tsp (4 tsp for 4).

↔ Cut broccoli into bite-size pieces.

2.

Toss carrots on one side a baking sheet with a drizzle of oil, salt, and pepper (add a pinch of chili flakes from your pantry if you like things spicy). (For 4, spread out carrots across entire sheet.) Roast on middle rack for 5 minutes (you'll add more to the sheet then).

↔ Swap in broccoli for carrots and season as instructed. (Skip roasting—you'll cook the broccoli in Step 4.)

3.

Meanwhile, in a small bowl, combine sweet soy glaze and 2 TBSP ketchup (4 TBSP for 4 servings); reserve half the sweet soy ketchup for serving. In a large bowl, soak bread with 2 TBSP milk (4 TBSP for 4); break up with your hands until pasty. Stir in beef, half the garlic, half the chopped ginger, ½ tsp salt (1 tsp for 4), and pepper. Form beef mixture into two 1-inch-tall loaves (four loaves for 4).

4.

Once carrots have roasted for 5 minutes, remove sheet from oven. Carefully add meatloaves to opposite side of sheet; evenly brush tops with remaining sweet soy ketchup. Return sheet to middle rack and roast until carrots are browned and tender and meatloaves are cooked through, 15–18 minutes. (For 4 servings, leave carrots roasting; add meatloaves to a second sheet and roast on top rack.)

↔ Add meatloaves to opposite side of sheet from seasoned broccoli; cook through the rest of this step as instructed.

5.

Heat a drizzle of oil in a small pot over medium-high heat. Add remaining garlic and remaining chopped ginger; cook, stirring, until fragrant, 30–60 seconds. Add rice, ¾ cup water (1½ cups for 4 servings), and a big pinch of salt. Bring to a boil, then reduce heat to low. Cover and cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

6.

Divide meatloaves, garlicky rice, and carrots between plates. Serve with reserved sweet soy ketchup on the side for dipping.
