Cooking Oil

Why do we ask you to prick your sweet potatoes all over with a fork in Step 1? Not only does this shorten their cook time, it prevents steam from building up and causing the spuds to look like flat tires. Most importantly, it helps ensure a deliciously fluffy interior—and who doesn't want that?

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Using a fork, prick **sweet potatoes** all over. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens.

2.

In a small bowl, combine **sour cream** and $\frac{1}{4}$ tsp **Southwest Spice Blend** ($\frac{1}{2}$ tsp for 4 servings; you'll use the rest later). Add **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper**.

3.

Wrap each **sweet potato** in damp paper towels and place on a microwave-safe plate. Microwave, flipping halfway through, until tender and easily pierced with a fork, about 5 minutes. (For 4 servings, microwave potatoes in batches. Cook time will depend on potato size. For smaller potatoes, check after 5 minutes. For larger potatoes, continue to microwave in 1-minute intervals.) Carefully remove from microwave and let cool slightly.

4.

While sweet potatoes cook, heat a **drizzle of oil** in a large pan over medium-high heat. Add **pork** and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Add **garlic**, **scallion whites**, and **remaining Southwest Spice Blend**. Cook, stirring, until fragrant, 30 seconds.

↔ Swap in **beef** or **turkey** for pork.

5.

Stir **tomato paste**, **stock concentrate**, and $\frac{1}{3}$ cup **water** ($\frac{1}{2}$ cup for 4 servings) into pan with **pork mixture**. Cook, stirring, until thickened, 1–2 minutes. Season with **salt** and **pepper**.

6.

Halve **sweet potatoes** lengthwise; fluff insides with a fork. Top each half with $\frac{1}{2}$ TBSP **butter** and sprinkle with **salt**. Divide sweet potatoes between plates; evenly top with **pork chili** and **cheese**. Drizzle with **crema** (and, if you've got some on hand, **hot sauce if desired!**). Sprinkle with **scallion greens**.
