MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Trim **green beans** if necessary. Dice **potatoes** into ½-inch pieces.

2.

Toss **green beans** on a baking sheet with a **drizzle of oil** and a **pinch of salt and pepper**. Roast until browned and tender, 12–15 minutes. Meanwhile, place **potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until softened, 10–12 minutes. Reserve **½ cup potato cooking liquid**, then drain and return potatoes to pot.

3.

While veggies cook, pat **pork** dry with paper towels and season all over with **half the Fry Seasoning (all for 4 servings)**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. Turn off heat; transfer to a plate to rest. Wipe out pan.

↔ Swap in **chicken** or **steak** for pork. Cook chicken until browned and cooked through, 5–6 minutes per side, or cook steak to desired doneness, 3–5 minutes per side.

4.

Meanwhile, halve, peel, and thinly slice **onion**. Trim and thinly slice **scallions**, separating whites from greens. Melt **1 TBSP butter (2 TBSP for 4 servings)** in pan used for pork over medium-high heat. Add onion, **scallion whites**, and a **pinch of salt and pepper**. If you've got some on hand, add a **pinch of chili flakes** from your pantry if desired. Cook, stirring, until lightly browned and softened, 5–6 minutes. Add **½ TBSP flour (1 TBSP for 4)**; cook, stirring, 1 minute.

↔ Use pan used for chicken or steak here.

5.

Gradually stir **stock concentrate** and **½ cup plain water (1 cup for 4 servings)** into pan until fully incorporated. Bring to a boil and cook until thickened, 1–2 minutes. Remove from heat. Stir in **sour cream** until melted and combined. Taste and season **gravy** with **pepper**. (If **gravy** is very thick, stir in a splash of water—it should be pourable.)

6.

Mash **drained potatoes** with **3 TBSP butter (6 TBSP for 4 servings)** until smooth and creamy, adding **splashes of reserved potato cooking liquid** as needed (we used **¼ cup; ½ cup for 4**). Taste and season generously with **salt** and **pepper**. Divide **green beans**, **mashed potatoes**, and **pork** between plates. Top pork and mashed potatoes with **gravy** and sprinkle with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
