MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Dice **tomatoes** into ½-inch pieces.

2.

Once water is boiling, add **pasta** to pot. (If pasta is stuck together, gently separate with your hands before adding to pot.) Cook, stirring occasionally, until al dente, 3–5 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **beef**, ½ **tsp salt** (1 **tsp** for 4 servings), and **pepper**; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. (If there's excess grease in your pan, carefully pour it out.)

4.

Add **tomato paste**, **garlic powder**, and **Italian Seasoning** to pan with **beef**; stir to combine. Stir in **diced tomatoes**, **stock concentrates**, ½ **cup milk**, and ¼ **cup reserved pasta cooking water** (1 **cup milk** and ½ **cup reserved pasta cooking water** for 4 servings). Reduce heat to low; cook, stirring occasionally, until sauce has thickened and tomatoes have softened, 3–4 minutes. Taste and season with **salt** and **pepper**.

5.

Add **drained pasta** and 1 **Tbsp butter** (2 **Tbsp** for 4 servings) to pan with **sauce**. Toss, adding **splashes of reserved pasta cooking water** as needed, until pasta is thoroughly coated in sauce.

6.

Divide **pasta** between bowls and serve.
