Ground Beef *
(10 oz | 20 oz)
Calories: 870

WHAT YOU'LL NEED

**Kosher Salt
Black Pepper**

Cooking Oil

Flour
Contains: Wheat

Butter
Contains: Milk

You may receive potatoes that are a different color. No matter the hue, they will be just as delicious!

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

In Step 1, you'll finely dice your carrot, celery, and onion for a *mirepoix* (fancy that!). This classic culinary technique involves sautéing the aforementioned trio of veggies to create a savory flavor base for dishes like shepherd's pie—as well as soups, ragùs, and more!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Dice **potatoes** into 1/2-inch pieces. Peel **garlic**. Finely chop one clove (**two cloves for 4 servings**); keep remaining whole. Trim, peel, and finely dice **carrot**. Finely dice **celery**. Halve, peel, and finely dice **half the onion** (**whole onion for 4**).

2.

Place **potatoes** and **whole garlic** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender when pierced with a fork, 10–12 minutes. Reserve **1/2 cup potato cooking liquid** (**1 cup for 4 servings**), then drain and return potatoes and garlic to pot. Keep covered off heat until ready to mash.

3.

While potatoes and garlic cook, heat a **drizzle of oil** in a medium pan (**use a large pan for 4 servings**) over medium–high heat. Add **carrot** and season with **salt** and **pepper**. Cook, stirring, until slightly softened, 2–3 minutes. Add **celery**, **diced onion**, and a **large drizzle of oil**; season with **salt** and **pepper**. Cook, stirring, until veggies are just tender, 5–7 minutes. Stir in **chopped garlic** and **half the thyme** (**all for 4**). Cook until fragrant, 30 seconds.

4.

Add **chicken** to pan with **veggies** and season generously with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Stir in **1 TBSP butter** (**2 TBSP for 4 servings**) until melted, then sprinkle with **2 TBSP flour** (**4 TBSP for 4**). Cook, stirring, until lightly browned, 2–3 minutes.

Open package of **chopped chicken** and drain off any excess liquid. Swap in chopped chicken or **beef** for ground chicken. Cook, stirring frequently (no need to break up chopped chicken into pieces!).

5.

Slowly pour **3/4 cup plain water** (**1 1/2 cups for 4 servings**) into pan, stirring, until thoroughly combined. Stir in **stock concentrates** and season with **salt** and **pepper**. Bring to a simmer and cook, stirring, until thickened, 2–3 minutes. (**If mixture is too thick, stir in a splash more water.**) Meanwhile, mash **potatoes** and **whole garlic** with **sour cream** and **3 TBSP butter** (**6 TBSP for 4**) until creamy, adding **splashes of reserved potato cooking liquid** (or **milk**, for extra creaminess) as needed. (**We used 1/4 cup cooking liquid; 1/2 cup for 4.**) Taste and season generously with **salt** and **pepper**.

6.

Spread **mashed potatoes** on top of **chicken mixture**, leaving a 1-inch gap around edge of pan. Divide between plates.

*Ground Poultry is fully cooked when internal temperature reaches 165°.

*Ground Meat is fully cooked when internal temperature reaches 160°.

*Poultry is fully cooked when internal temperature reaches 165°.
