Give friends \$20 off their first box and you'll
get a \$20 credit when they cook with us.

EveryPlate.com/referral

Toasting the almonds in Step 1 brings out their natural oils (aka nuttiness) while amping up their crunch factor. Those same oils make the nuts brown quickly. How will you know they're done? Follow your nose, and remove them from the pan as soon as they start to brown.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Finely chop **parsley**, including tender stems. Zest and quarter **lemon**. Cut **broccoli** into bite-size pieces. Heat a large dry pan over medium-high heat. Add **almonds**; cook, stirring frequently, until lightly browned and toasted, 2–3 minutes. Turn off heat and transfer almonds to a cutting board; roughly chop. In a small bowl, combine toasted almonds, parsley, and a **pinch of lemon zest**.

2.

Toss **broccoli** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast until browned and tender, 15–20 minutes.

3.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a small pot over medium-high heat. Add **couscous** and cook, stirring frequently, until lightly browned and toasted, 2–3 minutes. Add **1 1/4 cups water** (**2 1/2 cups for 4**), **veggie stock concentrate**, and **mushroom stock concentrate**; stir to combine. Bring to a boil, then cover and reduce to a low simmer. Cook until couscous is tender, 6–8 minutes. Drain any excess water if necessary. Keep covered off heat until ready to serve.

4.

Rinse **shrimp** under cold water, then pat dry with paper towels. Season all over with **paprika**, **garlic powder**, **1/2 TBSP harissa powder** (**1 TBSP for 4 servings**), **salt**, and **pepper**. (**Be sure to measure the harissa powder—we sent more!**) Heat a **drizzle of oil** in pan used for almonds over medium-high heat. Add shrimp and cook, stirring occasionally, until opaque and cooked through, 3–4 minutes. Turn off heat. Add **1 TBSP butter** (**2 TBSP for 4**) and a **squeeze of lemon juice**; toss to combine.

5.

Fluff **couscous** with a fork; divide between bowls. Top with **shrimp** and **broccoli** in separate sections. Top broccoli with **almond gremolata** and drizzle shrimp with **tzatziki**. Sprinkle entire bowl with **feta** and serve with **remaining lemon wedges** on the side.

*Shellfish is fully cooked when internal temperature reaches 145°.
