How do you know if your pasta water is salty enough? Taste it! (We're serious.) Because your cooking water is the only chance you have to season the pasta itself, it's super important to treat it like you would any other ingredient. The water should taste about as salty as the ocean!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. Place **2 TBSP butter** (4 TBSP for 4 servings) in a small bowl to soften (you'll use it in Step 6). **Wash and dry produce.** Zest and quarter **lemon**. Peel and finely chop **garlic**. Dice **tomato**. Grate **cheese** over a separate small bowl (skip this step if pre-shredded).

↔ Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Transfer to a paper-towel-lined plate. Wipe out pan.

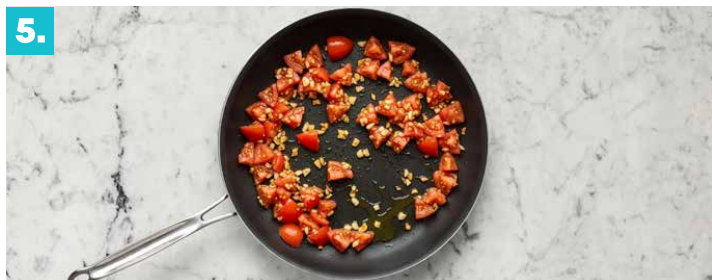

3.

While pasta cooks, melt **1 TBSP butter** (2 TBSP for 4 servings) in a large pan over medium-high heat. Add **panko**; cook, stirring, until golden brown and toasted, 3–4 minutes. Turn off heat. Transfer to a third small bowl; stir in **lemon zest** and a **small pinch of salt and pepper**.

↔ Use pan used for bacon here.

5.

Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **chopped garlic** and **tomato**; cook until tomato is slightly softened, 1–2 minutes. Reduce heat to medium low; stir in **½ cup reserved pasta cooking water** (¾ cup for 4 servings), **cream sauce base**, **stock concentrate**, and **half the garlic powder**. Bring to a simmer and cook, stirring occasionally, until thickened, 1–2 minutes. Stir in **drained pasta**, adding more reserved pasta cooking water a splash at a time until everything is coated in a creamy sauce. Taste and season with **salt** and **pepper**. Turn off heat. Stir in **half the cheese** and a **squeeze of lemon juice**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 12–14 minutes. Reserve **1 cup pasta cooking water** (1½ cups for 4 servings), then drain.

4.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in pan used for panko over medium heat. Add chicken and cook until golden brown and cooked through, 5–6 minutes per side. Turn off heat; transfer to a cutting board. Wipe out pan.

6.

To bowl with **softened butter**, add **remaining garlic powder**. Season with **salt** and **pepper**; stir to combine. Halve **ciabatta**; spread cut sides with **garlic butter** and place, cut sides up, on a baking sheet. Toast on top rack until golden brown, 3–5 minutes. Halve **garlic bread** on a diagonal. Slice **chicken** crosswise. Divide **pasta** between bowls and top with chicken. Sprinkle with **toasted lemony panko** and drizzle with **pesto**. Garnish with **remaining cheese**. Serve with garlic bread and **remaining lemon wedges** on the side.

↔ Roughly chop **bacon** and sprinkle over **pasta**.
