\$20

How do you know if your oil is hot enough in Step 5? Add a pinch of panko to the pan. If it sizzles immediately, you're ready to fry! Waiting until the oil is hot enough will ensure your pork fries up crisp and golden.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **sweet potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. In a small bowl, combine **3 TBSP mayonnaise**, **1 TBSP pesto**, and **¼ tsp garlic powder** (**6 TBSP mayonnaise**, **2 TBSP pesto**, and **½ tsp garlic powder** for 4 servings). Set aside. (You'll use the remaining pesto and garlic powder later.)

2.

Place **sweet potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Turn off heat; drain **sweet potatoes**, then return to pot. Keep covered off heat until ready to mash in Step 6. While sweet potatoes cook, toss **broccoli** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 15–20 minutes.

3.

Meanwhile, place **½ cup flour** (**1 cup** for 4 servings) in a shallow dish. In a separate shallow dish, crack **one egg** (**two eggs** for 4); whisk in **2 TBSP water** (**4 TBSP** for 4). In a third shallow dish, combine **panko**, **remaining garlic powder**, and a **drizzle of oil**. Season all three dishes with **salt** and **pepper**.

4.

Pat **pork** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or rolling pin until about ¼ inch thick. Lightly season pork with **salt** and **pepper**, then rub all over with **remaining pesto**. Working one piece at a time, press pork into flour until fully coated. Gently shake off excess flour, then dip both sides into **egg mixture**. Let excess egg drip off, then press into **panko mixture** until fully coated. (For less mess, use tongs to dip and transfer! Discard any excess flour and egg after coating.)

↔ Swap in **chicken** for pork.

5.

Heat a **¼-inch layer of oil** in a large, heavy-bottomed pan over medium-high heat. Once oil is hot enough that a **pinch of panko** sizzles when added to the pan, add **pork**. Cook until golden brown and cooked through, 3–4 minutes per side. (For 4 servings, you may need to work in batches, adding more oil between batches.) Turn off heat; transfer to a paper-towel-lined plate and season lightly with **salt**.

↔ Cook **chicken** as instructed until cooked through, 3–4 minutes per side.

6.

To pot with sweet potatoes, add **¼ cup milk** and **1 TBSP butter** (**½ cup milk** and **2 TBSP butter** for 4 servings); mash until smooth and creamy. Taste and season generously with **salt** and **pepper**. Divide **pork**, **mashed sweet potatoes**, and **broccoli** between plates. Serve with **basil aioli** on the side for dipping.

*Pork is fully cooked when internal temperature reaches 145°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

*Poultry is fully cooked when internal temperature reaches 165°.
