Unlike other cheeses, grilling cheese (aka halloumi) won't melt into a puddle when it sears in Step 3. Instead, it'll retain its shape while getting delightfully warm and soft on the inside and developing a tasty crust on the outside. Make sure you let it cook long enough to get golden and toasty—your patience will be rewarded!

MORE IS MORE

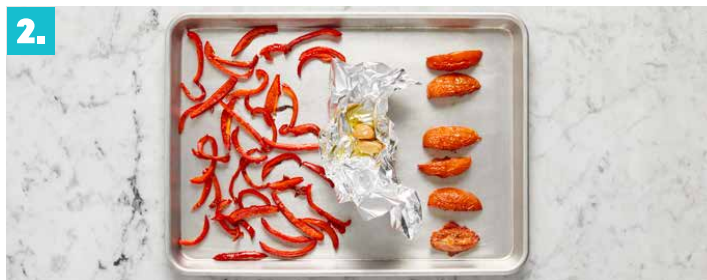

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 400 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, core, and thinly slice **bell pepper** into strips. Cut **tomatoes** into ½-inch wedges. Dice **grilling cheese** into bite-size pieces. Peel **garlic** and place in the center of a small piece of foil; drizzle with **oil** and season with **salt** and **pepper**. Cinch foil into a packet.

2.

Toss **bell pepper** and **tomato wedges** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Place **garlic foil packet** on the same sheet. Roast on middle rack until veggies are browned and tender, 18–20 minutes.

Rinse **shrimp** under cold water and pat dry with paper towels or open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add shrimp or chicken; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate.

3.

Meanwhile, heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Cook **grilling cheese** until browned, 1–2 minutes per side. Transfer to a plate.

Use pan used for shrimp or chicken here.

4.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain. Reserve pot.

5.

Remove **garlic** from foil packet; mash with a fork until smooth. Heat a **drizzle of oil** in pot used for pasta over medium heat. Add garlic, **Italian Seasoning**, **garlic powder**, and **tomato paste**. Cook, stirring constantly, until tomato paste is brick red in color, 30–60 seconds. Add ½ cup reserved pasta cooking water (1 cup for 4 servings), **stock concentrates**, **cream cheese**, and a **pinch of salt**; whisk until smooth. Add **drained pasta**, **veggies**, and **1 TBSP butter** (2 TBSP for 4); toss to coat. If needed, add splashes of reserved pasta cooking water until everything is coated in a creamy sauce. Taste and season with **salt** if desired.

Add half the chicken to pot along with drained pasta.

6.

Divide **pasta** between bowls and top with **grilling cheese** and **Parmesan**.

Top pasta with **shrimp** or remaining **chicken** along with **grilling cheese** and **Parmesan**.
