\$20

Before tossing your salad ingredients together in Step 4, make sure the lettuce is extra dry. This helps ensure that the leaves hang on to the dressing (instead of the dressing sliding right off into the bowl!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **radishes** into rounds. Quarter **lime**. Trim and discard root end from **lettuce**; chop leaves into bite-size pieces. Dice **tomato** into ½-inch pieces.

2.

In a small bowl, combine **radishes**, ½ tsp **sugar** (1 tsp for 4 servings), **juice from all the lime**, and a **pinch of salt**. Set aside to pickle, tossing occasionally, until ready to use.

3.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken; season with **half the Southwest Spice Blend** (all for 4 servings), **salt**, and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer chicken to a plate; let cool for 5 minutes.

Rinse **shrimp** under cold water and pat dry with paper towels. Swap in shrimp for chicken.

4.

While chicken cooks, in a large bowl, toss **lettuce**, **tomato**, and **pickled radishes** (with any pickling juice) with **dressing**. Once **chicken** has cooled 5 minutes, add to bowl with **salad**; toss to combine.

5.

Divide **salad** between bowls and top with **cheese**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
