MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **sweet potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. In a small bowl, combine **3 TBSP mayonnaise**, **1 TBSP pesto**, and **¼ tsp garlic powder** (**6 TBSP mayonnaise**, **2 TBSP pesto**, and **½ tsp garlic powder** for 4 servings). Set aside. (You'll use the remaining pesto and garlic powder later.)

2.

Place **sweet potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Turn off heat; drain **sweet potatoes**, then return to pot. Keep covered off heat until ready to mash in Step 6. While sweet potatoes cook, toss **broccoli** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 15–20 minutes.

3.

Meanwhile, place **½ cup flour** (**1 cup** for 4 servings) in a shallow dish. In a separate shallow dish, crack **one egg** (**two eggs** for 4); whisk in **2 TBSP water** (**4 TBSP** for 4). In a third shallow dish, combine **panko**, **remaining garlic powder**, and a **drizzle of oil**. Season all three dishes with **salt** and **pepper**.

4.

Pat **pork** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or rolling pin until about ¼ inch thick. Lightly season pork with **salt** and **pepper**, then rub all over with **remaining pesto**. Working one piece at a time, press pork into flour until fully coated. Gently shake off excess flour, then dip both sides into **egg mixture**. Let excess egg drip off, then press into **panko mixture** until fully coated. (For less mess, use tongs to dip and transfer! Discard any excess flour and egg after coating.)

↔ Swap in **chicken** for pork.

5.

Heat a **¼-inch layer of oil** in a large, heavy-bottomed pan over medium-high heat. Once oil is hot enough that a **pinch of panko** sizzles when added to the pan, add **pork**. Cook until golden brown and cooked through, 3–4 minutes per side. (For 4 servings, you may need to work in batches, adding more oil between batches.) Turn off heat; transfer to a paper-towel-lined plate and season lightly with **salt**.

↔ Cook **chicken** as instructed until cooked through, 3–4 minutes per side.

6.

To pot with sweet potatoes, add **¼ cup milk** and **1 TBSP butter** (**½ cup milk** and **2 TBSP butter** for 4 servings); mash until smooth and creamy. Taste and season generously with **salt** and **pepper**. Divide **pork**, **mashed sweet potatoes**, and **broccoli** between plates. Serve with **basil aioli** on the side for dipping.

*Pork is fully cooked when internal temperature reaches 145°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

*Poultry is fully cooked when internal temperature reaches 165°.
