MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and discard root end from **lettuce**; chop leaves into bite-size pieces. Trim and thinly slice **scallions**. Dice **tomato** into ½-inch pieces.

2.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once bacon is cool enough to handle, roughly chop. Wash out pan.

3.

While bacon cooks, combine **half the garlic powder**, ½ cup **flour** (1 cup for 4 servings), **salt**, and **pepper** in a shallow bowl. Crack **one egg** (two eggs for 4) into a separate shallow bowl; beat with 2 TBSP **water** (4 TBSP for 4).

4.

Pat **chicken** dry with paper towels; cut into 1-inch pieces and season all over with **remaining garlic powder**, **salt**, and **pepper**. Toss chicken in **seasoned flour** until fully coated. Lift chicken from flour mixture, shaking off excess. Add chicken to bowl with **egg mixture**, mixing until fully coated. Lift chicken from egg mixture, allowing excess to drip off, then return chicken to seasoned flour and toss until fully coated. (For less mess, use tongs to toss and transfer!)

5.

Heat a ¼-inch layer of **oil** in pan used for bacon over medium-high heat. Once oil is hot enough that a **pinch of seasoned flour** sizzles when added to pan, add **coated chicken** (shake off any excess flour first). Cook chicken until golden brown and cooked through, 3–4 minutes per side. (You may need to cook the chicken in batches.) Using tongs or a slotted spoon, transfer chicken to a paper-towel-lined plate. Season with **salt** and **pepper**.

6.

In a large bowl, combine **lettuce**, **coleslaw mix**, **scallions**, **tomato**, **half the dressing**, and a **drizzle of olive oil**; season with **salt** and **pepper** and toss to combine. Divide **salad** between bowls and top with **bacon**, **chicken**, and **cheese**. Drizzle with remaining dressing. (Like things spicy? Add a dash of hot sauce from your pantry if desired!)

*Pork is fully cooked when internal temperature reaches 145°.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
