MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Core, deseed, and dice **bell pepper** into ¼-inch pieces. Grate **Parmesan** (skip if pre-shredded). Finely chop **parsley**. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve about **1 cup pasta cooking water**, then drain.

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **bell pepper** and chicken; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

3.

Reduce heat under pan to low; stir in **Cajun Spice Blend**, **1 TBSP butter**, and **2 tsp flour** until butter has melted and chicken is evenly coated (**2 TBSP butter and 4 tsp flour for 4 servings**). Stir in **cream sauce base**, **half the Parmesan**, and **¼ cup milk** (**½ cup for 4**) until combined.

4.

Add **drained pasta** and **sour cream** to pan with **sauce**. Toss, adding **splashes of reserved pasta cooking water** as needed, until pasta is coated in a creamy sauce.

5.

Divide **pasta** between bowls and top with **parsley** and **remaining Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.
