MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely chop **shallot**. Trim **green beans** if necessary.

2.

Heat a **drizzle of oil** in a small pot over medium-high heat. Add **half the shallot**; cook, stirring, until fragrant, 30 seconds. Add **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, pat **salmon** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add salmon, skin sides down; cook until skin is crisp and fish is almost cooked through, 5–7 minutes. Flip and cook until opaque and cooked through, 1–2 minutes more. Turn off heat; transfer to a plate and cover with foil to keep warm. Wipe out pan.

4.

Heat a second large dry pan over high heat. Add **green beans**, **¼ cup water** (**½ cup for 4 servings**); season with **salt** and **pepper**. Cover pan with lid and cook, stirring occasionally, until green beans begin to soften and turn bright green 3–5 minutes. Transfer to a second plate.

5.

Heat a **drizzle of oil** in pan used for green beans over medium-low heat. Add **remaining shallot**, **salt**, and **pepper**; cook, stirring occasionally, until softened, 30–60 seconds. Stir in **orange sauce**, **half the sesame seeds**, and **¼ cup water** (**½ cup for 4 servings**). Cook, stirring, until sauce has reduced, 1 minute. Return **salmon** to pan with **glaze**; turn to coat.

6.

Fluff **rice** with a fork; stir in **remaining sesame seeds**. Divide rice, **salmon**, and **green beans** between plates. Drizzle salmon with any **remaining glaze**.

*Fish is fully cooked when internal temperature reaches 145°.
