In Step 4, you'll let the rice cook undisturbed in order to form a crispy, crunchy crust—known as socarrat—on the bottom of the dish. If you notice the rice beginning to brown too quickly, reduce the heat to medium low!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Halve, peel, and finely chop **onion**. Halve, core, and slice **bell pepper** into ¼-inch strips. Rinse **shrimp** under cold water, then pat dry with paper towels. In a medium bowl, combine shrimp, ¼ tsp **paprika** (½ tsp for 4 servings), a **drizzle of olive oil**, **salt**, and **pepper**; set aside until ready to use. In a small bowl, combine **2 TBSP mayonnaise** (4 TBSP for 4) and a pinch of chopped garlic. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

2.

Heat a **drizzle of oil** in a large pan over medium heat. Add **onion** and cook, stirring occasionally, until softened and translucent, 3–4 minutes. Add **remaining chopped garlic** and cook, stirring, until fragrant, 1 minute more. Stir in **rice**, **garlic powder**, **half the turmeric** (all for 4 servings), and **remaining paprika**. Cook, stirring frequently, until everything is evenly coated and rice is translucent, 1–2 minutes. (If pan seems dry, add another drizzle of oil.)

3.

Add **1¾ cups water** (3½ cups for 4 servings), **stock concentrates**, and a **big pinch of salt** to pan with **rice mixture**; stir to combine. Bring to a simmer, then reduce heat to medium low. Gently shake pan until rice mixture settles into an even layer; cover and cook, undisturbed, for 10 minutes. Uncover and stir in **peas**. Carefully arrange **bell pepper**, then **shrimp** atop rice mixture. Cover and cook, undisturbed, until shrimp are opaque and cooked through and most of the liquid has absorbed, 8–10 minutes. (Mixture should be bubbling rapidly; if necessary, increase heat slightly.)

4.

Uncover **rice mixture** and increase heat to medium high. Cook, undisturbed, until liquid has completely absorbed and a golden-brown crust forms on sides and bottom, 4–5 minutes. (If rice begins to brown too quickly, reduce heat to medium low.) Let rest at least 5 minutes before serving.

5.

Drizzle **paella** with **aioli** and serve family style directly from pan.

*Shellfish is fully cooked when internal temperature reaches 145°.
