Have a few extra minutes? Char your corn! Charring brings out corn's natural sweetness and introduces serious depth of flavor. Cook in a medium dry pan over high heat, swirling the pan occasionally, until those kernels are dark brown in spots, 4–6 minutes. Don't fret if they pop—this just means the heat's doing its job!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Dice **tomato** into ½-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Drain **corn**. Zest and quarter **lime**. Halve, core, and thinly slice **green pepper** crosswise into strips.

2.

In a medium bowl, combine **tomato**, **scallion greens**, **half the corn**, **juice from half the lime**, a **pinch of lime zest**, **salt**, and **pepper**. In a small bowl, combine **smoky red pepper crema** and **2 TBSP mayonnaise (4 TBSP for 4 servings)**.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or **beef** and season with **salt** and **pepper**; cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **green pepper**, **scallion whites**, and **remaining corn**. Season with a **pinch of salt and pepper**; cook, stirring occasionally, until browned and tender, 4–5 minutes. Turn off heat; transfer to a plate. Wipe out pan. While veggies cook, in a second small microwave-safe bowl, combine **cream cheese** and **half the Tex-Mex paste (all for 4 servings)**; microwave until softened, 30 seconds.

Use pan used for chicken or beef here.

4.

Place **tortillas** on a clean work surface; spread one half of each tortilla with **cream cheese mixture**. Top with **veggie filling** and **mozzarella**. Fold tortillas in half to create **quesadillas**.

Add **chicken** or **beef** to **tortillas** along with **veggie filling**.

5.

Heat a **drizzle of oil** in pan used for veggies over medium-high heat. Add **quesadillas**; cook until tortillas are golden brown and cheese melts, 2–4 minutes per side (**if tortillas begin to brown too quickly, lower that heat!**). (**Depending on the size of your pan, you may need to work in batches.**)

6.

Cut **quesadillas** into three wedges each and divide between plates. Drizzle with **crema** and top with **salsa (draining first)**. Serve with **remaining lime wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
