In Step 1, make sure to slice your onion as thinly as possible. The thinner your slices, the sweeter and more tender your caramelized onion will be. Pro tip: Break out your sharpest knife (it really helps!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. **Wash and dry produce.** Cut **broccoli** into bite-size pieces. Peel **garlic**. Halve, peel, and thinly slice **onion**. Place garlic cloves in the center of a small piece of foil; drizzle with **oil**, season with **salt** and **pepper**, and cinch into a packet. Place **garlic foil packet** on a baking sheet and roast on top rack for 5 minutes. Once garlic has roasted 5 minutes, remove sheet from oven and carefully toss broccoli on same sheet with a **drizzle of oil**, **salt**, and **pepper**. Return to top rack and roast until broccoli is golden brown and tender, 15–20 minutes.

2.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion** and a **pinch of salt and pepper**. Cook, stirring, until softened and lightly browned, 8–10 minutes. Add **1 tsp sugar** and **¼ cup water** (**2 tsp sugar** and **⅓ cup water** for 4 servings). Cook, stirring, until onion is caramelized and jammy, 2–3 minutes more. Turn off heat; stir in **1 TBSP butter** (**2 TBSP** for 4) until melted. Transfer to a small bowl. Wipe out pan.

3.

Once **garlic** is done, carefully transfer to a cutting board; mash cloves with a fork. In a second small bowl, combine mashed garlic with **2 TBSP mayonnaise** (**4 TBSP** for 4 servings); season with **salt** and **pepper**. Place **2 TBSP butter** (**4 TBSP** for 4) in a third small microwave-safe bowl. Microwave until melted, 30 seconds.

4.

Slice **baguettes** lengthwise, stopping before you get all the way through (**they should look like hot dog buns when you're done**). Brush cut sides with **melted butter** and season with **salt** and **pepper**. Place, cut sides up, on a second baking sheet. Toast on middle rack until golden, 2–3 minutes.

5.

Pat **steak** dry with paper towels; season with **salt** and **pepper**. Heat a **drizzle of oil** in pan used for onion over high heat. Add steak and cook, stirring occasionally, until browned and cooked to desired doneness, 2–3 minutes. Reduce heat to medium; add **caramelized onion** and **1 TBSP flour** (**2 TBSP** for 4). Cook until flour is lightly browned, 1–2 minutes. Stir in **stock concentrate** and **¼ cup water** (**⅓ cup** for 4). Cook until slightly thickened, 1–2 minutes more.

6.

Spread **one cut side of each baguette** with **roasted garlic aioli**. Top one cut side with **steak and onion mixture**, then cover with **cheese**. Return to oven until cheese melts, 2–3 minutes. Carefully close **sandos** and divide between plates along with **broccoli**.

Open package of **chicken** and drain off any excess liquid. Swap in chicken for steak. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

*Beef is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
