MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Drain **corn**. Trim and halve **cucumber** lengthwise; slice crosswise into 1/4-inch-thick half-moons. Finely chop **cilantro**. Zest and quarter **lime**.

2.

Heat a **drizzle of oil** in large pan over medium-high heat. Add **beef**, **sesame seeds**, and **chili flakes**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes. Carefully drain any excess grease from pan. Stir in **bulgogi sauce** and **half the corn**; cook until sauce has slightly thickened and corn is warmed through, 1–2 minutes more. Taste and season with **salt** and **pepper**. Turn off heat; transfer to a plate. Wipe out pan. (Reserve pan for Step 5.)

3.

In a medium bowl, combine **cucumber**, **cilantro**, **remaining corn**, a **pinch of lime zest**, and a **squeeze of lime juice**. Season with **salt** and **pepper**. In a small bowl combine **2 TBSP mayonnaise** (4 TBSP for 4 servings), a squeeze of lime juice, and as much **Sriracha** as you like.

4.

Place **tortillas** on a clean work surface. Evenly sprinkle **cheese** onto one half of each tortilla. Top cheese with **beef and corn filling**, then fold tortillas in half to create **quesadillas**.

5.

Heat a **drizzle of oil** and **1 TBSP butter** (2 TBSP for 4 servings) in pan used for filling over medium-high heat (if tortillas begin to brown too quickly, lower that heat!). Add **quesadillas** and cook until tortillas are golden brown on the first side, 1–2 minutes. Flip and continue to cook until cheese melts, 1 minute more. (Depending on the size of your pan, you may need to work in batches.) Transfer to a paper-towel-lined plate to absorb any excess oil.

6.

Transfer **quesadillas** to a cutting board; cut into wedges. Divide between plates; drizzle with **spicy lime mayo** and top with as much **cucumber-corn salsa** as you like. Serve with **remaining lime wedges** and any remaining cucumber-corn salsa on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
