MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 200 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Drain **corn**. Trim and thinly slice **scallions**, separating whites from greens. Place ¾ cup flour (1½ cups for 4 servings) in a shallow dish. In a separate shallow dish, beat one egg with 2 TBSP water (two eggs and 4 TBSP water for 4). Season both dishes with salt and pepper. Add potatoes to a medium pot with enough salted water to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Drain and return to pot; keep covered.

2.

Heat a ⅓-inch layer of oil in a large pan over medium-high heat. Pat **chicken** dry with paper towels; cut into 1-inch pieces and season with **garlic powder**, half the **Fry Seasoning**, salt, and **pepper**. Working a few pieces at a time, press chicken into **seasoned flour** until fully coated. Gently shake off excess, then dip into **beaten egg** to coat. Let excess egg drip off, then press into flour again until fully coated.

3.

Once oil is hot enough that a pinch of flour sizzles, add **coated chicken** in a single layer (you may need to work in batches). Cook, turning occasionally, until golden brown and cooked through, 6–8 minutes. Transfer to a paper-towel-lined baking sheet; season with salt. Remove paper towels; transfer sheet to oven to keep warm.

➡ Add **bacon** to a second large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. When cool enough to handle, roughly chop.

4.

Melt ½ TBSP butter (1 TBSP for 4 servings) in a medium pan over medium-high heat. Add **corn**; season with salt and pepper. Cook, stirring, until warmed, 1–2 minutes. Transfer to a bowl; cover with foil. Melt 1 TBSP butter (2 TBSP for 4) in same pan and add **peas**; season with salt and pepper. Cook, stirring, until warmed through, 1–2 minutes. Transfer to a separate bowl and cover with foil to keep warm.

5.

Melt 2 TBSP butter (4 TBSP for 4 servings) in pan used for peas over medium heat. Add 1 TBSP flour (2 TBSP for 4) and cook, whisking constantly, until flour is light brown, 1–2 minutes. Add **scallion whites** and **remaining Fry Seasoning**; cook, stirring, until softened, about 1 minute. Gradually stir in ½ cup milk (¾ cup for 4) until smooth. Stir in **stock concentrate**. Season with salt and pepper. Turn off heat. (Add another splash of milk if gravy seems too thick).

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

6.

To pot with **potatoes**, add 1 TBSP butter and ¼ cup milk (2 TBSP butter and ½ cup milk for 4 servings). Using a potato masher or fork, mash until smooth and creamy. Taste and season generously with salt and pepper. Divide **mashed potatoes** between bowls and top with **chicken**, **peas**, and **corn**. Top with **gravy**, **crispy fried onions**, and **scallion greens**.

➡ Sprinkle bowls with **bacon** along with **crispy fried onions** and **scallion greens**.
