MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position ([top and middle positions for 4 servings](#)) and preheat oven to 475 degrees. Sprinkle **3 TBSP flour** ([6 TBSP for 4](#)) over a clean work surface. Remove **dough** from packaging and place on prepared surface. Shape each piece of dough into a ball. ([Coat hands in flour or oil to prevent sticking.](#)) Evenly sprinkle dough balls with **2 TBSP flour** ([4 TBSP for 4](#)). Cover with a clean kitchen towel and let rest at room temperature for 20 minutes.

2.

Once dough has rested 20 minutes, carefully press and stretch each **dough ball** into an oval shape about 10 inches long. Dust with more **flour** if necessary. Cover with a clean kitchen towel; let rest 15 minutes more. Once rested, using **floured** hands, press and stretch into larger ovals, about 12 by 8 inches.

3.

Spoon **two dollops of marinara** about 2 inches apart on bottom half of each **dough oval**, leaving a 1-inch border around edges. Evenly top each dollop with **cheese** and **pepperoni**. Fold top half of dough over bottom half; use your hands to press along edges of dough and the space between fillings, creating **two pockets**. Gently split each pocket into two individual pockets ([you'll have four pockets total; eight pockets for 4 servings](#)). Use a fork ([or your fingers!](#)) to crimp the edges of each pocket to tightly seal.

4.

Carefully place **pizza pockets** on a parchment-lined baking sheet ([two parchment-lined sheets for 4 servings](#)). ([Use a spatula to help transfer pockets to the sheet!](#)) Gently use your hands to shape each pizza pocket into a more rectangular shape once on the sheet. Lightly brush tops with **olive oil** and sprinkle with **salt**.

5.

Bake **pizza pockets** on top rack until golden brown and crisp, 12–16 minutes. ([For 4 servings, bake on top and middle racks, swapping rack positions halfway through.](#)) While pizza pockets bake, in a medium bowl, combine **mixed greens** and **dressing**.

6.

Divide **salad** and **pizza pockets** ([careful—they'll be hot!](#)) between plates. Garnish salad with **croutons**.
