MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Trim and peel **carrot**; halve lengthwise, then slice into ¼-inch-thick half-moons. Finely chop **chives**. On a **lightly floured** work surface, use **floured** hands or a rolling pin to flatten **biscuits** into ¼-inch-thick rounds. Cut each biscuit round into ½-inch-thick strips.

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pot over medium-high heat. Add chicken and season with **salt** and **pepper**; cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer chicken to a plate; reduce heat to medium.

3.

Add **onion** and **3 TBSP butter** (**6 TBSP for 4 servings**) to pot used for chicken; season with **salt** and **pepper**. Cook, stirring occasionally, until onion is softened and translucent, 3–4 minutes. Add **carrot**, **thyme**, and **garlic powder**; stir to coat. Add **1 TBSP flour** (**2 TBSP for 4**) and cook, stirring constantly, until everything is evenly coated and flour is golden brown, 1–2 minutes. Gradually add **1½ cups milk** (**3 cups for 4**), stirring constantly, until everything is combined.

4.

Add **stock concentrates** and **1½ cups water** (**3 cups for 4 servings**); stir to combine. Return **chicken** to pot and bring to a gentle simmer. Drop in **biscuit strips** one at a time and return to a simmer (**the mixture should be very gently bubbling**). Cover and cook, stirring a few times to prevent biscuits from sticking to each other while they rise and expand, until veggies are tender and dumplings are puffed and cooked through, 15–20 minutes. **TIP: Dumplings are done when the inside texture is fluffy and light—don't stir too often or they'll dissolve into the broth!**

5.

Once dumplings are puffed and cooked through, stir in **peas** and **half the chives**. Cook, stirring occasionally, until peas are warmed through, 1–2 minutes. Taste and season with **salt** and **pepper**. Divide **chicken and dumplings** between bowls, top with remaining chives, and serve.

**Poultry is fully cooked when internal temperature reaches 165°.*
