MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Drain **corn**. Open package of **chicken** and drain off any excess liquid. In **oven-ready tray**, combine corn, chicken, and **half the carrots** (all for 4 servings). (For 4, evenly divide ingredients between two trays.)

2.

Microwave **3 TBSP butter** (6 TBSP for 4 servings) in a medium microwave-safe bowl until melted, about 30 seconds. Whisk in **cornstarch** and **2 TBSP flour** (4 TBSP for 4) until combined. Whisk in **chicken stock concentrates**, **cream of chicken concentrate**, **thyme**, **garlic powder**, **1 cup water** (2 cups for 4), and a **pinch of salt and pepper**. Cover loosely with a paper towel; microwave, whisking every 1 minute, until very thick, 3–4 minutes. (Microwave times may vary. The gravy should be very thick at this stage—it will thin as it bakes.)

3.

Stir **gravy** into **tray with chicken mixture**. (For 4 servings, divide gravy between two trays.) Cover tray tightly with foil and place on a baking sheet (for 4, place two trays side by side on sheet). Bake on middle rack (be sure your oven has preheated!) until chicken is cooked through and veggies are nearly tender, 25 minutes.

4.

Remove sheet from oven and discard foil (careful—steam will be released!). Carefully stir in **half the peas** (divide all the peas between two trays for 4 servings). Remove **biscuits** from package; peel apart at the center to create two thinner biscuits. Evenly top **filling** with biscuits.

5.

Reduce oven temperature to 350 degrees. Return **tray** (on baking sheet) to middle rack; bake, uncovered, until filling is bubbly and biscuits are golden brown, 20–25 minutes more. Let **pot pie** rest at least 5 minutes before serving. Serve directly from tray or divide between shallow bowls or plates.

*Poultry is fully cooked when internal temperature reaches 165°.
