get a \$20 credit when they cook with us.

**EveryPlate.com/referral**

**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

**1.**

Adjust rack to middle position ([top and middle positions for 8 servings](#)) and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Generously coat a 9-by-13-inch baking dish with **nonstick cooking spray** ([use 2 baking dishes for 8](#)). Halve, peel, and finely dice **onion**. Trim and thinly slice **scallions**, separating whites from greens.

**3.**

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Drain pasta and set aside.

**5.**

Transfer **pasta mixture** to prepared baking dish; top with **crispy fried onions** and **chopped bacon**. Bake on middle rack for 10 minutes. ([For 8 servings, divide everything between two baking dishes and bake on top and middle racks, switching rack positions halfway through.](#)) Remove baking dish from oven and top with **remaining cheese**. Bake until cheese melts and sauce is bubbling, 1–2 minutes more.

\*Pork is fully cooked when internal temperature reaches 145°.  
\*Poultry is fully cooked when internal temperature reaches 165°.

**2.**

Open package of **chicken** and drain off any excess liquid. Season with **BBQ Seasoning**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken; cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a medium bowl. Wipe out pan. Add **bacon** to same pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

**4.**

Heat a **drizzle of oil** in pot used for pasta over medium-high heat. Add **onion** and **scallion whites**; season with **salt** and **pepper**. Cook, stirring, until lightly browned and tender, 4–5 minutes. Reduce heat to low; add **cream sauce base**, **mustard**, **cornstarch**, **two-thirds of the cheese**, **half the Fry Seasoning**, **1 cup milk**, **2 tsp salt**, and **pepper** ([2 cups milk and 4 tsp salt for 8 servings](#)). Stir until smooth. Add **drained pasta** and **chicken**; stir until well combined. Taste and season with **salt** and **pepper** if needed.

**6.**

Meanwhile, combine **BBQ sauce**, **remaining Fry Seasoning**, **2 TBSP ketchup**, and **1 tsp water** in a second medium bowl ([4 TBSP ketchup and 2 tsp water for 8 servings](#)). Once mac 'n' cheese is done baking, drizzle with **seasoned BBQ sauce** and sprinkle with **scallion greens**. Divide **mac 'n' cheese** between bowls or serve directly from the baking dish for a family-style experience.
