When mashing your potatoes in Step 2, try not to “overwork” them. Potatoes are super starchy and tend to become gummy and clumpy when that starch is mixed around too much. Use a gentle touch and you too can make super-smooth, fluffy mashed potatoes.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (top and middle positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Dice potatoes into ½-inch pieces. Trim green beans if necessary. Strip rosemary leaves from stems; finely chop leaves until you have ½ TBSP (1 TBSP for 4). Trim and thinly slice scallions, separating whites from greens. Grate cheese (skip this step if pre-shredded).

3.

While potatoes cook, pat chicken dry with paper towels; rub all over with a drizzle of oil. Season with salt and pepper. Place on one side of a baking sheet and roast on top rack for 5 minutes (you'll add more to the sheet then). (For 4 servings, arrange across entire sheet.) Meanwhile, add bacon to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once bacon is cool enough to handle, roughly chop.

5.

Heat a drizzle of oil in pan used for bacon over medium-high heat. Add rosemary, scallion whites, and garlic powder. Cook, stirring, until fragrant, 30–60 seconds. Add cream sauce base, stock concentrate, and ¼ cup milk (½ cup for 4 servings). Bring to a simmer and cook, stirring occasionally, until slightly thickened, 2–3 minutes. (If sauce gets too thick, add a splash or two of water.) Turn off heat; stir in chopped bacon. Taste and season with pepper. (No need to add extra salt—the ingredients are already salty!)

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.

2.

Place potatoes in a medium pot with enough salted water to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Drain and return potatoes to pot. Mash potatoes with ¼ cup milk and 1 TBSP butter (½ cup milk and 2 TBSP butter for 4 servings) until smooth and creamy. (Add additional splashes of milk as needed.)

4.

Once chicken has roasted 5 minutes, remove sheet from oven. Carefully toss green beans on opposite side of sheet with a drizzle of oil, salt, and pepper. Roast until chicken is cooked through and green beans are tender, 12–15 minutes more. (For 4 servings, leave chicken roasting; add green beans to a second sheet and roast on middle rack.)

6.

Divide chicken, mashed potatoes, and green beans between plates. Garnish mashed potatoes with scallion greens. Spoon sauce over chicken and sprinkle with cheese.
